Ball and Court Presentation

The 2008 Court is busy making preparations, BUT we have room for one more couple - Call Anissa Theriot (#855-6350) if you would like to be on Court. ALSO, we want to remind everyone to contact Donna DeBarge (#855-3531) if you have a daughter who will be 16 by the date of the ball (January 25, 2008). We need to know how many debutantes will be presented at the ball. We will also need to have arrangements made for their pictures for the program and their information for the presentation and newspaper.

Also if you have a son or daughter who is in grades nine through twelve who would like to be an escort for the ball, please let us know.

Reminders

Just a few little reminders:

- All events are members only unless otherwise stated. Family and guest allowed events will be specified as such.
- All guest allowed events, other than family events, are for adults age 21 and older.
